

European Values in Vocational Education EVIVE

Kayra Ataç
TURKEY

**WHAT PROJINAL HAVE LEARNED FROM
EVIVE**

WE LEARNED...

- **1) To discover values in partner countries and re- discover values in Turkey as a canvas for making meaningful connections with professional development**

WE LEARNED...

- **2) To develop further understanding of values within the framework of vocational education and life long learning**

WE LEARNED...

- **3) To think critical about curriculum, values education and their integration within the context of VET both in Turkey and partner countries**

WE LEARNED...

- **4) To form and try out didactical methods to promote values in VET**

WE LEARNED...

- **5) To contribute to the development of partnership and exchange experiences and ideas so as to develop common tools**

And much more...

THANK YOU ☺
